

TWC WORSHIP EBB

A NEW BREED OF WARRIOR

DECEMBER 5TH–JANUARY 13TH

Each year all of TWC moves into a worship ebb for several weeks of December and the first few weeks of January. This time embraces our value of ebb, or resting in Him, as we practice what He has placed in us.

The ebb is a time for all of us to take a moment of pause and reflect on the milestones of this year. It is a place to pull back into His heart, reflect on this year and look into the next year, and to consider what promises and permissions the coming year will hold for you and for The Warrior Class.

Reflections: Warrior Giants

Continue to pray: God is in the process of positioning people and communities across the body of Christ in this time. Pray about how to receive what God has for you. Pray about how that reflects in how God is positioning TWC through our training and intercession to support His Kingdom purposes.

Your training: Consider if you are to set aside your training or spend time enjoying it to take you deeper or bring this module to completion. Ask the Lord what is best for your personal season of flow, ebb or transition. Consider what training you will step into next. Will you participate in specialty training of Intel Development (fall) or Champion Training (Summer 2018-Summer 2019)? What Advanced training will you step into once your Level Training is complete?

Reflect on your TWC journey in 2018 and prepare for 2019. Take time to journal and capture your thoughts. Seek key scriptures for this coming season and ask God what aspect of your identity He will bring forward in this next year. Ask Him Who His will be for you.

Continued...

Be refreshed and renewed: Breathe! Take a walk. Meet with friends. Soak in Him. Find a place or activity that brings refreshing to your heart, mind and soul. Consider how joy will remain and expand as part of your TWC journey and training.

Connect: Connect with family and friends as we celebrate this season of joy for the birth of Jesus and anticipate the New Year.

To allow space for the deeper reflections for all of us, we also take an administrative ebb. Our coaches step into this reflective pause and allow the emails, calls and posts on Facebook to be set aside for when we step back into our normal flow. This means, as tempting as it may be, we ask you to refrain from posting on our Facebook page. You are always welcome to read through it and/or listen to calls you hoped to catch.

AS WE HEAD INTO 2019: A TIME OF PREPARATION

What follows are three separate words.

- A New Breed of Warrior – A word of the Lord for you
- My Warriors, My Beloved – A word from the Lord for TWC
- Warrior Giants – A word God highlighted from our first TWC Gathering that spurs us toward our next season.

As you read these Prophetic words, you are welcome to reflect and go a little deeper in your time of refreshing and drawing close to God's heart. Here are some questions to help in your combined processing for each of these Prophetic words:

- What is the Lord highlighting in your heart as you read these Prophetic words? Highlight words, phrases, impressions that stand out to you.
- As you narrow it down, what main three (specific) words in each Prophetic word seem to highlight and carry weight for you in 2019? Spend time with the Lord expanding and exploring each one.
- What is the main identity statement you will walk in for the first part of next year?
- What aspect(s) of God's nature, permissions, treasures, skills or provision gained in 2018 will He activate in 2019?
- Who will God be for you in 2019? (provider, healing, defender, captain of the host, etc.)

Worship Ebb is your time to enjoy as God leads. If these words help you do that, then please spend time in them. If you have other things the Lord would direct you toward, then please feel free to leave these on the back burner until we come back from Worship Ebb and He brings them back to your heart.

A NEW BREED OF WARRIOR

TODAY, I AM CALLING UP A NEW BREED OF WARRIOR:

This is a Warrior who knows how to rest in Me: A warrior who is steadfast in abiding in My heart and who rests in knowing that nothing, no thing, no circumstance or situation can pull you out of that place of intimate connection.

Staying in My heart and carrying it forward to others requires fortitude, endurance, grit and determination to hold tight to who you are in Me. You have partnered with the Decisions That Define You/Us and the Values and Principles of TWC. These are carried out, day by day, in your journey with Me. They are there to give you a code of honor and focus to become the New Breed of Warrior I made you to be and become.

Just as Jesus rests in My bosom, you are in Him. That means you are in Me. I Am the great I AM. I see you for who you are. I Am taking you to a place where I position you and give you vision to establish My Kingdom on earth.

You are part of a tribe who will reignite My people. You will conquer performance and religious mindsets because you carry My love. You know how to turn striving into resting in Me. I will continue to teach you how to do these things in more expansive ways in your life.

You know rest is a weapon and you learn how to fight with My fruit. I Am teaching you how to fight with My love. My love is weapon. No force can come against it. No man can turn it or stop it.

My love is a flood. Feel love build momentum in your life. Feel My love as it draws the promises and provision from heaven to pour over you. I release the wave of My love in this season to crash upon the shore of your life. The wave will wash away what is not strongly secured and will bring what I carry in the depths of My heart to the earth. The time of flow is coming in 2019.

Take the risk, Beloved Warrior. Take the risk to “get your brave on” and let your yes, be a yes to Me. As a forerunner in a Tribe of forerunners, you will move into places I open up for this time and season. You are a New Breed of Warrior and you are rising into what Warring for My love means in this season ahead, for you and on behalf of others. You will learn how to see risk as an opportunity for partnership with Me in 2019.

2019 is at your doorstep...Who will I be for you? What aspect of your identity will you learn to live out? Take the time now, Beloved, in this time of Worship Ebb to know what this season is for you and for Us. Come to Me and ask. Enter into a place of deep worship. Draw near and know I Am ready to pour out over you.

MY WARRIORS, I HAVE LOVED YOU
WITH AN EVERLASTING LOVE.
JEREMIAH 31:3

Come away with me...

TO THE WARRIOR CLASS FOR 2019:
MY WARRIORS, MY BELOVED.

You, Warriors, are My Sons and Daughters.

- I am calling you to rise up and walk on this earth. You will bring change. You carry shift. Although I also call others, you have a place in My plan and I will continue to develop and prepare you for what is to come. Be sensitive to My timing and how I desire to position you.
- You are redefining intercession as you know it. The ripples of My Blueprints are spreading to the ends of the earth. Many lives will be touched through the key leaders I bring into your prayers. Many rarely reached people groups will know more of what life in Me is like and will put aside performance mindsets as I move through the Intercession and Intel you create.
- You are a light and a sound. The time to release your light is now. You are no longer hidden, but are revealed. As a city on a hill, the beacon of your light will shine forth. It is time to shine brightly. No more hiddenness.
- It is time to take your place at the table. The time is now. Open your mouth and share the sound I placed within you with those around you. For many years I have held back your voice. I have asked you to wait, pray and release in the secret places of My heart. But, I created you to be a sound. This is a sound that, like Gideon's trumpets, will cause confusion to the enemy camp. This chord will resound across the lands and seas.
- You will continue in unity and learn how to fight the battles that take internal and external ground. The power of who I Am speaks from the Secret Place of My heart. Go here, stay here, move from this place. You are learning to dwell in it.

Take the risk to become who I say you are. Take the opportunity I present before you. Tap into My creative nature and innovative heart. Discover your permissions. Explore them. Try them out. You will live, move and have you being from love. You are My New Breed of Warriors and I stand with you as you become The Warrior Class.

REFLECTIONS: WARRIOR GIANTS

“I come this day to expand the hearts of my warriors to a massive capacity. It is this increased capacity for Me, My Truth, and the keys of My Kingdom, that will empower you to challenge, collide, and overtake the enemy and his forces in your battlefields...It is this increased capacity that will empower you to challenge others to “run harder and run faster” after Me and My ways. It is this increased capacity of your heart that will allow more of My Presence and more of My power to abide within your spirit. You were made to be bigger, to hold more...to hold more of Me...you were made to be the spiritual giants of this generation.

“I have called you to boldly occupy the space between two kingdoms, to run the race of supernatural empowerment, to handle with masterful skill the Sword of the Spirit. You were not made to know the ‘average’; you were made to know the ‘extraordinary’ in My Name.”

“As My warrior giants I have called to run faster, harder, and longer...I have given you the expanded heart of the Overcomer. You are men and women of an overcoming spirit, who love to look at the field marked by man as impossible, and say ‘nothing is impossible with my God.’”

“You have destiny racing through your veins, you have My supernatural empowerment pulsing though your arteries. Now My sons and daughters, step into this heightened space in the Spirit, this place of expanded supernatural capacity...occupy the field for Me...run fast, run hard, run long, for you have been called to greatness...You have been called to run the race of “Destiny” with the mantel of My Power and Presence upon you. You have been called to be My warrior giants...”

Join us on Facebook on January 14th to continue our journey!
