THE WARRIOR COMMISSION

~ DECISIONS THAT DEFINE US ~

**We have decided to live “present-future” not “present-past”.
Our lives are about who we are and are becoming, not who we have been or
what we have done. It is our joy to cooperate with the Spirit to bring what we
will need tomorrow into today.**

POWERFUL QUESTIONS POSITION US

By Christine Casten

Standing in the posture of a maturing son or daughter of God is an ongoing invitation. He constantly encourages us to step into a focus *beyond* where we are, while completely connecting to us and loving us *where* we are. How do we step into this space?

One spiritual tool we teach in TWC is how to upgrade our questions of exploration. These questions are important as they pinpoint how we enter into our conversation with God. Some questions keep us in the past or pull out a more poverty driven mindset. Others remind us of our partnership with God and empower what He is releasing to us. Asking powerful questions truly is an art. Each of us are becoming master artist question askers!

Questions like, “Why did this happen?” are past focused. They take us into the posture of what was done to us and position us in a victim mindset. The question can be upgraded into several others such as: “What are you showing me through this circumstance?” “How are You moving, God?” “Who can You be for me now that You couldn’t be at any other time, Lord?” and “How can I walk with You through this fiery situation, so I have no smoke on me?”

Powerful questions take us into partnership with God. Rather than having us focus on ourselves as we wrack our brain for an answer, powerful questions focus us on God’s sovereignty and open us to receive the mind of Christ.

We ask the question, or questions, that knock on the heart of Father, Son, and Holy Spirit. We seek His heart in the situation. Through our openness, we step into a place of humility and training.

God helps us look past the battle into the possibilities. He helps us understand what Kingdom maturing is at hand. Exploring this process with Him helps us heal faster. It opens us to the growth opportunities in the circumstance and helps us recognize what of His DNA He is placing in us at that moment.

These powerful questions help us walk with God in our day to day as He helps us focus on who we are becoming. God knows powerful questions are key weapons in our arsenal of growth to be and become all we are created to be.

What powerful question are you currently exploring with God?

TRAINING HIGHLIGHTS

Ask – Seek – Knock

Seeking, Asking, Knocking are encouraged in God's word. (Matthew 7:7-11) Each TWC training module is a practice of these. Whether you are mining Foundations Stages, or are exploring Advanced Trainings, each Module is designed to facilitate your personal journey of having doors opened, discoveries made, and gifts received. Your unique design greatly impacts what those are for you individually. Each Warrior Call provides explanations, examples, and reference points for intimate connection with God. Holy Spirit is the way for you to find the doors that need to be opened and the treasures you need for your tomorrow. As you are intentional in your TWC training, ask the Lord what He has for you and keep at it until it is ALL yours.

JOY AND DELIGHT

BY SHARON RUDOLPH

Partnership with God is our Joy and Delight. Holy Spirit has the marvelous job of helping each of us to embrace God's goodness for us; the goodness He knows we will need for the journey ahead. In this partnership we have the opportunity to trade out what we don't need for what God knows is best. Sometimes we need some convincing. Sometimes we simply need awareness of the possibilities before us.

In Christ we have all we need for life and godliness. (2Peter 1:2-3) As humans our ability to access what is ours can be hindered or delayed. Holy Spirit partnership is the key to removing what is in the way.

We each have been restored back to God's original design and reconciled to a loving connection with Him. (2Corinthians 5:19, Amplified or the Message give a good read on this.) The human mental or physical structures we erect to protect us from the pains of this world are not the problem. Nor is our ability to have enough faith. In Jesus, the belief that nothing separates us from the love of God (Romans 8:31-39), and that living water flows in us and gushed out from us (John 4:14 The Passion Translation), is what takes down the mountain, raises the valley and makes the crooked path straight. Jesus is the author and perfecter of that faith belief; Holy Spirit makes it our reality.

These are a gift that God planned to give you before time. Jesus said "Ask, seek, knock. Don't stop until you have the measure of God's view of you." That view changes everything, opening doors to the Kingdom of Heaven that cannot be shut. Our history simply becomes a story we once read, not the determining factor in our life or reactions. This process is just that: a process. Our cooperation with Holy Spirit's revelation of possibility and His gushing up inside of us makes all the difference.

How might Holy Spirit be calling you to partner with Him today? What is the Present-Future He is revealing to you that is your Kingdom truth? How does He want to help you lay down whatever might be in the way? (See the story of the Rich Young Ruler in Matthew 19:16-30) What is God showing you is possible in Him that looks impossible through human eyes?

COACHES' CORNER

By Susie Marvin

WHAT DETERMINES MY CHOICES TODAY?

I have discovered that my mind makes its own interpretation of what is going on in and around me and creates its own version of reality. Jesus restored me to relationship with the Three and my mind is gradually being restored to see reality as God sees it, which of course, is true Reality.

My present is affected by my interpretation of my past and now I am in the process of receiving Jesus' interpretation of my past. He is wrapping all my memories in His eternal presence and joy as only He and Holy Spirit can.

My future reality will also be my mind's interpretation and I desire that my mind will be aligned with God's, so I will see reality as He sees it.

What do I need in order to see Truth as God sees it? I already know He made us for deep loving relationship with Him, in His face-to-face presence.

There are some actions I will need in my future that Holy Spirit is beckoning me into now, continually calling near, inviting, welcoming. I am saying, "Yes, thank You" to Him beckoning me to:

"Rejoice always; pray without ceasing; in everything give thanks." (1 Thessalonians. 5: 16-19)

"Rejoice in the Lord always; again I will say, rejoice! Let your gentle [spirit] be known to all men. The Lord is near. Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God." (Philippians 4: 4-6)

"Trust in the Lord with all your heart and do not lean on your own understanding. In all your ways acknowledge Him, and He will make your paths straight." (Proverbs 3:5, 6)

In the past, my mind and feelings resisted these invitations because I was stuck on the "always" and "in everything." When I said "Yes" to Holy Spirit in my center, in spite of my mind and feelings, I found I could look to Jesus and relax and trust Them to empower me to grow in them. And my mind is being restored.

**How are you saying, "Yes!"
to Holy Spirit's invitations?**
