THE WARRIOR COMMISSION

~ DECISIONS THAT DEFINE US ~

This *Decision That Defines Us* has four points associated with it. Last month, in May's edition, we covered the first two points, this month we cover the next two points:

We have decided to live in fullness, not measure:

- **We believe it is God's good pleasure to give us the Kingdom.**
- **We are confident that God will withhold no good thing from those who walk in His ways!**

BEING FILLED WITH ALL THE FULLNESS OF GOD

By Kathy Brown

God's fullness is much more beyond what we can imagine! He is El Shaddai, the God who is more than enough! Fullness is to be filled to maximum capacity. What if God wants to enlarge our capacity in Him so that He can fill us with His fullness **beyond** what we can imagine in the natural?

*"That Christ may dwell in your hearts through faith, that you, being rooted and grounded in love may be able to comprehend with all the saints what is the width and length and depth and height – to know the LOVE of Christ which passes knowledge **that you may be filled with all the fullness of God.**"* Ephesians 3:17-19 NKJ

This is an invitation to explore with Jesus the multi-dimensional LOVE of God! His promise to us in this exploration is to fill us with ALL of His fullness. Beyond the natural, His love is supernatural! In His spirit with our spirit we can meditate, explore, and discover the vastness of His love! Let's enter into the kingdom like a child and imagine!

Imagine yourself looking out over the ocean from a high place. You can see that the ocean goes beyond the horizon, farther than we can see with our eyes. You can also see the curvature of the earth and the open sky above. Look up at the clear blue sky, how high does the sky go? Can you see beyond it into space? Does it ever end? Look at the width of the horizon of the ocean. As the earth curves, it continues beyond what we can see. Look straight out over the ocean, imagine how far it goes. Then imagine the depth of the sea. Some places still too deep to be explored by man.

Now in your spirit's imagination, ponder on how vast God's love is even beyond what we can see at the ocean. Can you see how wide Jesus's love is? How long? How deep? How high? Meditating on the vastness of God's love in this way, what is happening in your spirit with God? Are you being stretched? Is your capacity being enlarged in the spirit?

What is Holy Spirit doing inside you in this meditative place? His supernatural love fills us as we go beyond our human limitations to our spirit's unlimited capacity with Jesus. A sense of wonder and awe of the magnificence of God's fullness fills you. Practice this meditation and see what happens inside you! It is God's great pleasure to give us His kingdom!

"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen!" Ephesians 3:20 NKJ

TRAINING HIGHLIGHTS

The question coming to mind is How does TWC training help us receive and stay in this fullness. TWC training modules are designed to help you dive deep into God's goodness and His desire to be in relationship with you. There is a unique balance in our lives, no matter what our personality type or emotional bent, between our intentionality in relationship with God and our relationships with fellow humans, whether believers or not.

We need the interaction with people because God blesses us through them; that's how He created us. These relational connections are simply a shadow of what is possible in our connection and interaction with our Father God in Heaven. He went to great lengths to reconcile us to Himself. We have Holy Spirit pointing us to Jesus and that reconciliation, and we have Jesus reintroducing us to our Father and Creator.

All the training within TWC is designed to support and enhance your journey and connection with Father under the expert support of Holy Spirit. In that journey, as you learn more about your Creator and Father, you learn more about yourself, and vice versa. Making time and space for this relationship makes all the difference in walking out life in God in fullness.

Whatever Training Module you are exploring, you are encouraged to not treat it like an academic course, but as a key to aspects of God's heart that He wants you to see and receive for yourself. Each training module has information and activations that are unique to TWC. Academic process often is not helpful because God is looking for relationship and conversation, not right answers.

You may find that incorporating your TWC training in your devotional time will help open it up for you in new ways. What if your training journey is a form of worship and an intentional pursuit of an increase in faith? What if your relationships within TWC are enhanced by your training in unexpected ways? If you have any questions about your training process or would like support to help you continue moving forward with God, and what that might look like, please email your TWC Coaches at twc.warriorepic@gmail.com.

YEAR-END WORSHIP EBB

JUNE 19TH – JULY 5TH

...Reflecting on 2021 - 2022

Looking for What is to Come...

Each year The Warrior Commission moves into a Year-End Worship Ebb. We set this time aside to embrace our value of ebb, or resting in Him, as we assess what Father has placed in us this year. It is not a passive time, rather it is a time to pray, connect, and seek His heart.

We take time to capture our evidences of transformation for ourselves and for this Warrior EPIC Nation. This also gives our coaches and those working in the background (to keep our operations running smoothly) a chance to rest, prepare, and anticipate what God will do in TWC in the new 2022 – 2023 year.

This past year was a year where we learned to expect the unexpected. God continued to move through unprecedented times to accelerate us toward His plans and purpose. As our world searches for answers – we chose to move with HIM! TWC corporately, and each of you as God's Warriors, individually said "Yes!" to God's calling and we are now most certainly in New Era Territory!

We are not sure what this means – or how to incorporate it in TWC, but we do know God knows! And He is showing us the way, bit by bit He is revealing what we need to know to not only enter this new territory, but to TAKE this new territory!

During this time of rest and reflection, we ask you to ask Abba what the new territory means for you, for TWC, for other areas of your life; job, family, church, finances, health, etc. This new territory holds new challenges, blessings, and opportunities – use this time to prepare, renew, recommit!

As tempting as it may be, **we ask you to refrain from posting on our Warrior Chat Forum during Ebb.**

Our *PUBLIC Facebook and Instagram pages will continue to post quotes, fun processing questions, etc. You are always

What Can I Explore in Worship Ebb?

Continue to Pray: God's plans will come to pass. He's not been surprised by this past year. In fact, He's moving in mighty ways! As we firmly plant in this New Era: pray to go deeper than you ever have in God's heart. We feel the key word for 2022 – 2023 is **Grace Space**. We are in a time of grace to explore the intel God has given us and to consider what the next territory looks like for us. What is God telling you about this new territory?

Your Training: Consider if you are to set aside your training, spend time enjoying it to take you deeper, or bring your current module to completion. Ask the Lord what is best for your personal season of flow, ebb, or transition. Consider what training you will step into next.

Reflect: Reflect on your TWC journey in 2022-2023 and prepare for the new year. Take time to journal and capture your thoughts. Seek key scriptures for this coming season and ask God what aspect of your identity He will bring forward in this next year. Ask Him Who He will be for you.

Be Refreshed and Renewed: Breathe! Take a walk. Meet with friends. Soak in Him. Find a place or activity that brings refreshing to your heart, mind, and soul. Consider how joy will remain and expand as part of your TWC journey and training.

Connect: Connect with family and friends as we celebrate summer and the warmth, life, and beauty we experience during this time.

To allow space for the deeper reflections for all of us, we take an administrative ebb. Our coaches/admins step into this reflective pause and allow the emails, calls, and posts on Forum and mailboxes to be set aside so they too can enjoy some time of refreshing and renewal.

**To start the new training year with celebration we will gather together
on July 9th at 8:00am PDT for a TWC wide call.**

**See the Call Blast or Events Tab on the Warrior Chat Forum
for the Zoom link.**

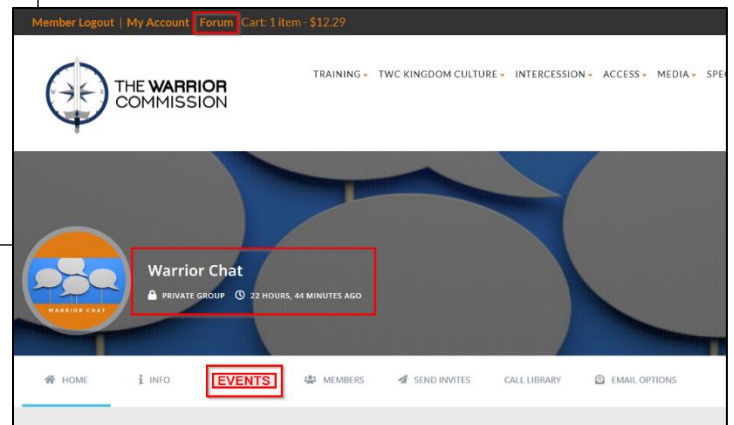

...I will be spiritually refreshed by your fellowship.

Coaches Corner:

STEPPING OUT IN FAITH...

By Meagan Blessing

Now faith is the reality of what is hoped for, the proof of what is not seen. Hebrews 11:1

What does it really mean to have faith? What are we called to have faith for? How does faith actually work in a tangible way?

Faith is when we believe the word of the Lord (whether written, spoken, or revelatory) enough to act on it prior to seeing any evidence of what we are believing for.

Heb. 11:8-9 "By faith Abraham, when he was called, obeyed, and set out for a place that he was going to receive as an inheritance. He went out, even though he did not know where he was going."

Abraham heard the word of the Lord, believed it, and acted on it prior to receiving any proof that it would come to pass. There are a few key components here to consider.

Abraham had no doubt that what he heard was the word of the Lord. If you feel the Lord is telling you something, there are several ways to test it. The first and most obvious is to see if it lines up with scripture. Is it in line with the character and nature of God according to his written word? Can you find examples in scripture of people who God asked to do the same thing you feel He is asking you to do? If the answers to these questions is 'No', it is not the word of the Lord.

Abraham obeyed. He knew the Lord was asking him to do something, and he chose to trust God's revelation to him and act on it, knowing that God would provide all that was necessary to bring the word to fulfillment and give him the promised inheritance.

Abraham picked up his stuff and set off in a direction (presumably God told him which way, or perhaps there was only one option available) not knowing where he would end up. It seemed it was enough for him that God knew. Not all of us are called to physically move, although some are at times. What does it look like for you to 'pick up your stuff' and set out? Perhaps it is a heart journey, or a mental upgrade, or perhaps a spiritual one.

Because Abraham obeyed before he had proof of the final outcome, he received everything God promised him. If he had never left Ur, he would never have inherited his promised land.

What has God given you a word about? Have you tested it to be certain it is the word of the Lord? Do you have faith to act on the word even if you don't have all the details worked out? If not, is there something more you need from the Lord in order to properly discern his word and step out in faith? If so, ask! He is faithful! 2Timothy 2:13

I bless you to properly discern the voice of the Lord in both the big things and the small ones, and to step out in faith to receive all He has stored up for you.

FIT TOGETHER INTO GOD'S PERFECT PLAN

By Sharon Rudolph

At church this morning, leadership was having the privilege of dealing with old transgressions coming to light and the beginnings of proactively walking forward in righteousness with a focus on Romans 8:28 "All things work together for good for those who love God and are called according to His purpose."

In the light of this TWC Decision, Jesus and I have been having a conversation about living from fullness and what a difference it makes in the everyday and in the warfare. In the space created by fullness, the righteous choices are obvious. Seeing the goodness of God is the normal and choosing to step in the path He is directing us toward can be received as the goodness that it is, even if it "feels" hard. We are always on a journey in, but also, toward fullness. Our understanding has a beginning point and it grows as we explore what it means for us where we are standing on any given day.

Fullness is ours from the moment of salvation. (Ps 84:11) As a Warrior, we know that fullness is for us to receive and embrace (Luke 12:38), but we may not yet know what it looks like or the how of living from it. Knowing He (God) wants us to have His fullness, His kingdom, His Son, is a beautiful catalyst to our choosing to explore God's fullness.

He is our way maker. What He prepared before time for us to have, He made the way for us have it. (1 Cor. 2:9) He created a road for us to be able to walk in His ways and love Him. It's in His Son Jesus. He's STILL making a way for us to explore, accept, receive, and walk out His fullness.

You have the mind of Christ (1 Cor.2:16). He's given you the tools for the knowing/experiencing/receiving the fullness God has for you. You have the privilege of taking the road He prepared beforehand, the tools we have in Christ, and this community to walk with you along the way, as you choose being intentional with the pursuit of this journey. Embrace, Receive, Walk out more than you can think or imagine. What an amazing and wonderful life we have in Christ!

For the Lord God is brighter than the brilliance of a sunrise! Wrapping himself around me like a shield, he is so generous with his gifts of grace and glory.

Psalm 84:11 TPT
