KEY TERRITORIES OF INHERITANCE THROUGH INTERCESSION

Early in our journey we asked a powerful question: What happens when Warriors train on the ground of intercession? What happens, indeed!

As with every powerful question, more were sparked. Questions came up, such as: What exactly is a Warrior? What does a Kingdom Warrior fight for? What do they carry? How does a Warrior train? What is the ground of intercession? How does a Warrior travel in this ground? And, most importantly, what can the relationship between a Warrior and God be and become?

To be frank, we are still exploring these things today. Yet, God has expanded them beyond what we knew or understood at that time. Just as each of us has our own journey of growth, The Warrior Commission has explored, felt growing pains, gone through wonky, and risen to challenges. Together, we will explore all these things again, as God continues to bring us into His promises and provision.

About 4 years into our timeline, our Intel was beginning to reveal something. We looked over the 1000 submissions we had collected at that time and realized some patterns. Eight territories revealed themselves. I will list them in a minute, but let's look at the journey from then to now and what we see coming.

When God revealed the Key Territories of Intercession in 2015, we amassed the information, connected the dots, and developed Training Journals 15 and 16. From 2015 to now, we have

explored them, developed trainings around them and created Blueprints for others using those Key Territories.

In the past few years, we have seen these Key Territories integrate into our culture. We've also grown up a bit more in how we see them. So, over this training year, we are going to reacquaint ourselves with how they have been described. Then, as we go, we will bring in the updates, combine Training Journals 15 and 16 into one, and then share those updates with each of you.

These are the Key Territories of Intercession as they currently stand:

- **Territory of the New Man and a Present/Future Lifestyle**
- **Territory of Empowering Grace and the New Testament Nature of God**
- **Territory of Joyful Intentionality**
- **Territory of Fullness & Abundance (Eph. 3:20)**
- **Territory of Limitless Possibilities**
- **Territory for An Abiding Life**
- **Territory of Identity in Christ**
- **Territory for New Testament Prophetic Culture**

It's time to revisit these territories. We are taking our time in going through them and bringing in updates along the way. You will see them rise to the forefront and gain more clarity as we strengthen in what God is giving us through each one.

WARRIOR OF GOD'S LOVE

This month's Frontline is focused on the Key Territories. Each one of these is a Kingdom Territory rich with blessings and wisdom for our walking out loving the way God loves. The ability to love the way God loves is not instant access. While being filled with Holy Spirit does provide all the power of the Kingdom of God to support our loving the way God loves, our ability to access and utilize that power in our partnership with God is a process of development.

God is so kind to us as new believers, whenever that may have been, to supercharge our walk with Him empowering quick wins and early successes. As we continue our journey with Jesus as our King, we learn that we have some unlearning to do, often that we did not even know was there. We learn to be like the patriarchs listed in Hebrews 11. We welcome the promises of God knowing that He is faithful to keep His promises. We admit that we are strangers and aliens on this world, as we choose to partner with our Creator God to bring His Kingdom to earth in our loving Him and others. And we long for our heavenly home because living on this planet can leave us wounded and weary.

Courage is a quality that opens possibilities to walk with God - the pilgrimage that is life on this planet, like those patriarchs of old. Courage empowers us to welcome and receive things that we do not feel we actually have in hand. Courage helps us take hopeful anticipation and respond with intentional preparation and development to welcome what is to come.

Courage allows for the admitting of disappointment and gives strength to acknowledge what we do not have here on earth. In the dissatisfaction of earthly disappointment, we open possibilities to press into God's heart, His goodness, but it takes courage to feel the negative and make space for God's good.

Courage fuels productive passion (longing) to live as strangers in earthly territory and to bring God's love into the lives of others. We willingly embrace our heavenly home and Kingdom territory, while living here on earth, knowing that in Christ we can bring that God love goodness to the wounded and weary of this world.

Loving as God loves, as citizens of His Kingdom, requires a Warrior's heart and God fueled courage. God's waterfall of becoming, and our yes to it, is beautifully interwoven with this courage and His empowerment of our Warrior hearts.

- **What is God showing you currently about your Warrior Heart?**
- **How is He upgrading your courage and trust in Him?**
- **Who are you becoming in this waterfall?**

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.

TRAINING ARTICLE: INHERITANCE IN CHRIST

However, as it is written: "What no eye has seen, what no ear has heard, and what no human mind has conceived"— the things God has prepared for those who love him 1Corinthians 2:9 NIV

As children of God, we have Christ as our inheritance, and we are His. Check out Ephesians 1 for more on this Inheritance piece of our relationship with God in Christ. There is so much to this inheritance that we do not understand when we first know Jesus, but as we journey with God, He begins to bring to light Who He is, who we are, and what He has for us. How awesome to realize that the dreams that we have in our own hearts come from seeds Father God planted when He created us. As a good Father, He molds and shapes, prunes and grows us so that we are able to enjoy the inheritance we have in Him.

As each of us embrace what God is pouring out on us this season, we have new opportunities to see, hear and receive what God has prepared for us. Exploring and navigating our trainings by including the Key Territories, which are part of our inheritance in Christ, enhances the richness of the adventure and treasures God has in store for us. The Key Territories are not an either/or for your journey but can become a both/and. The more we receive, understand, and embrace the more of our inheritance, the more we are able to give away, love well, and impact the world around us. The Key Territories are part of what the Lord has given us to help each of us do just that.

As we walk with God, incorporating our Training with our intimate relationship with Him, consider the questions from the Waterfall of Becoming Impact Prayer: Papa asks, "What will We discover together as your confidence, heart, and life expand? What is it like to go beyond what you have known, into what's possible in Me?" How is He incorporating your training into pouring into you? Plus – How might the Key Territories support and enhance what the Lord is pouring into you?

Coaches Corner: CHAMPION ADVANCE!

Since the first year of Champion Training in 2017, we have always known that God had more for us! We knew that with the incredible life transformations and discoveries that happen in Champion Training there would be more that God would give us to grow as Champions who champion others. As Champions, we activate in God's dream for us, that was uncovered or reignited in our Champion Training journeys.

Those that had completed Champion Training then became Champion Alumni, until the beginning of 2023. At this time Holy Spirit expanded His dreams for what He has for us in this facet of The Warrior Commission community, and we now have become **Champion Advance!** God made it clear to us that He is moving us forward, advancing His Kingdom in these new trainings He has given to us!

Below are the two trainings that have been developed with Holy Spirit. This is the inaugural year for these trainings that began this past month!

LAUNCH CHARTER TRAINING

“Blessed are those whose strength is in you, whose hearts are set on pilgrimage...They go from strength to strength, till each appears before God in Zion.” (Psalm 84:5,7)

Launch Charter Training was developed as a next step after completing Champion Training. We are discovering greater clarity of the rights, permissions, and authority bestowed upon us by God. He is catapulting us into the uncharted territory He has given us in accordance with the dreams of His heart.

As we set out on this maiden voyage of Launch Charter Training, our hearts are set on the pilgrimage that God has laid out for us. This journey is not for the faint of heart—this boot camp training will take us from strength to strength in God. We are exercising new muscles as we learn to transform revelation into activation of Kingdom Territory in our areas of influence.

We've already discovered abundant upgrades and experienced accelerated momentum as we kick off from the shore, and our whole-hearted “yes” is on the table as we know that God's whole-hearted “yes” is on the table *for us*.

We are aware that we do not take this journey alone. We must lock arms as a family of Warriors, encouraging and prophetically speaking into each other's lives on the sometimes-choppy waves. We each have a powerful voice and much-needed gifts, so we rely on each other as we grow into all we were created to be.

Together, our eyes are wide open with excitement and anticipation for what is still beyond our ability to see, ask for, or dream. We joyfully watch as God uses the waves created by our voyage to buoy, shift, and develop currents that will affect the rest of our TWC family.

EARTHQUAKE PROOFING YOUR FOUNDATION IN JESUS TRAINING

“Everyone who comes to me and hears my words and does them, I will show you what he is like: he is like a man building a house, who dug deep and laid the foundation on the rock. And when a flood arose, the stream broke against that house and could not shake it, because it had been well built.” Luke 6:47

This training is a deep dive into the foundations of our lives built upon the Rock of Jesus. As the world increases in turbulent times, and we are shaken to our core, we find our absolute core in Jesus. In our God who cannot be shaken. In our God Who is the way, the truth, and the Life. We sharpen our focus on Jesus, the author and perfecter of our faith.

We prophetically encourage one another with Holy Spirit in the adventure of this training as we become bonded as a band of brothers, mighty lovers of Jesus and Warriors for His kingdom.

To expand and solidify our foundation in knowing God when the shaking occurs. To increase our wonder, majesty, and awe of God. To go deeper in being established as the beloved of God. To strengthen our character development as spiritual Warriors and Champions who champion others. To be raised up as sons and daughters of God in His Kingdom. All this is what we are aiming for in this training as we walk with arms linked together, heart to heart in our journey of earthquake proofing our foundation in Jesus!
