# Something More Full

by Christine Casten

*"FOR US FULLNESS IS A COMBINATION OF YOUR SONSHIP IN CHRIST – WHO YOU ARE (IDENTITY) INTERTWINED WITH WHO GOD IS, IN AND THROUGH YOU."*

Over the years, we have explored many different words to describe what happens in our Warriors in The Warrior Commission. Our biggest challenge has been finding ways to truly capture our multifaceted aspects of growth and joy of our journey together. How do we then articulate and accurately describe the supernatural

kingdom lifestyle we find is possible with God? It's just too mind-blowing. Words are inadequate to define the fullness life in Christ can be and become.

The irony with the multipronged approaches we take in our training toward stronger alignment with God, is that we, ourselves, often miscalculate the expanded growth and deep transformation process we personally experience along the way. It's only when we start expanding our focus that we realize how significantly God has changed each of us in our TWC journey.

Coaches in TWC often see the changes, mainly because we are looking for them. Evidence of Transformation captures your changes in snapshots along the way. But with your, "yes" to embrace what training modules, calls, coaching, relational conexus and trying new (to you) things, God takes

you into a depth of sonship we can only describe as “fullness.”

Fullness in Christ is something that is both intangible and apparent, but, it is often a process that is present and ongoing at the same time – only with God! We have the passion to know that God has something more for us. One “level” of authority is a foundation for an expanded authority that is coming.

For us Fullness is a combination of your sonship in Christ – who you are (identity) intertwined with who God is, in and through you. Knowing who you are opens your focus to target your wheelhouse and to really focus on your lane.

How is the fullness of your sonship expanding?

What does God say about who you are in Him? What fullness are you discovering?

What is the something more God is revealing to you right now? in your sonship an authority?

# The Dream of God

by Kathy Brown

*"When we set our love on Jesus, we open up a door of endless possibilities." -*

**T**he entire universe is standing on tiptoe, yearning to see the unveiling of God's glorious sons and daughters!" Romans 8: 18-19 TPT

When God created the universe, he had an incredible dream! He still has that dream and Jesus came to make that an actuality for His Father. We are that dream for God! His dream that we, His created children would grow up in our identity in Jesus and know who we are as His sons and daughters.

**“FOR THE HOLY SPIRIT  
MAKES GOD’S FATHERHOOD  
REAL TO US AS HE WHISPERS  
INTO OUR INNERMOST  
BEING, ‘YOU ARE GOD’S  
BELOVED CHILD!’”**

**ROMANS 8:16**

Jesus from the beginning desired that He would be the first born of many coming in as God's sons and daughters. Jesus provided the way to become like him so that as He is so we could also be in this world. Coming into the fullness of understanding of what that means, we are able to walk with God, partnering with His will to happen on earth as it is in heaven. This is living as Father God intended life to be lived on earth, when He created man at the beginning of time! It is a remarkable hope, promise and joy we have, to come into that realization of God's heart to raise us up as His sons and daughters!

“For the Holy Spirit makes God's Fatherhood real to us as He whispers into our innermost being, ‘You are God's beloved

child! And since we are His true children, we qualify to share all His treasures, for indeed we are heirs of God Himself. And since we are joined to Christ, we also inherit all that He is and all that he has." Romans 8:16-17 TPT

God is inviting us into this journey and process of growing up in sonship. We have a choice to say "yes" to God in this adventure. It is a journey that takes courage, resilience, endurance and trust but it is well worth everything!

"For those that are led by the Spirit of God are the sons of God." Romans 8:14 TPT

Here in The Warrior Commission, we have a unique opportunity to grow up as sons and daughters of God together in this community. We celebrate God's goodness in every step of the journey. Each training is designed to mentor and encourage us in this path of growing up in sonship that He had in mind when He created us. It is our great joy to fulfill God's dream in us and our dream in Him!

## *A Transition for Kathy ~*

*One of our TWC values is freedom for our Warriors to shift and transition, given God's leading and their time in life. In this light, we are supporting Kathy's decision to lay aside the larger time commitment a Director role requires. But don't worry -- Kathy has, and will continue to be, a wonderful voice of wisdom, counsel and intercession for our Director team and for all our Warriors.*

*This transition allows Kathy to step away from managing as many training details so that she can put more focus on what the Lord is leading her to ahead. However, she will still pour into TWC through facilitating the Earthquake Proofing Your Foundation Training, joining us at the November conference, and in many other ways.*

*Please send her a note of thanks and appreciation for the many hours and heart she poured into this past season...and encourage her for what God will expand in the season ahead!*

# As He Is

*I LOVE KNOWING THAT HE LOVES ME  
BECAUSE HE LOVES ME! HE LOVES ME  
BECAUSE I AM HIS. -*

**E**xploring the Key Territory of Identity in Christ is a continual process for me. Even as I mature in my identity in Christ, I'm still finding places where my mind has been so set in this world's ways! It would be frustrating if I was still stuck in my own old way of thinking. I grew up believing that I couldn't be good enough to be loved.

Learning to see what God sees in me, realizing Jesus has longed for me to find my life in Him, even more than I've de-

sired it myself, has taken me into a new world of confident faith in Him and in myself, as His Beloved. His “higher ways” take away my frustration at wanting to be like Him. Instead, my life has become the exciting adventure God planned for me since before the beginning of time. Christ in me!

At first it was a struggle for me to find my identity in Jesus. I felt scattered and overwhelmed. Almost immediately I heard, “You are Seeds scattered by My hand.” What a delight it was to have God change what I thought was a negative about myself, into something He loves about me! Now, I know I have His brilliant mind and His great love for others in my heart. He [partners with] me in so many ways to plant new mindsets about Who Jesus really is in the hearts of all people, plus, who they really are in Him. I love watching others awaken to the instinctual knowledge of Himself that He has planted in each one of us. I love knowing that He loves me because He loves ME! He loves me because I am His. It feels so good to belong to God.

How has your TWC training raised your confidence in who you are in Christ Jesus? How is your unique and beautiful Identity in Christ transforming the way you reflect “being in Him” to the world? As you ponder this with our Trinity God, thank Him that you are made in “Their” image. As we believe it, we see it, and we impact the world with His Love.

# Inspiring Journey and Equipping

**W**hen your friends ask you about The Warrior Commission, what do you tell them? Is it the training that is transforming you, your CoNexus Hub, the last Face 2 Face event you attended, or something else? There is helpful and informative information on the TWC Website that is especially designed for non-members.

If you look at it ahead of time, you'll have ideas to point them in the right direction to find answers to questions they may have. AND – you might be reminded of why you joined when you did. May the Lord fan your passions and your desire for Him as you explore this community of which you are a vital part.

If you put [TheWarriorCommission.com](http://TheWarriorCommission.com) into your browser bar, and don't sign in, you can find the links available. This information is not so robust as the Warrior/Member side of the Website. It is focused on the kind of things someone might want to know about who we are and what we do within this community.

We want to invite you to take a little time to check out this side of the website. Even if you saw it then, it may have changed. It is also a good reminder of things you might have seen before you joined, but don't really remember. You will find headings and topics to help your friends see more of what you see within TWC.

*WHAT IF GOD KNOWS EXACTLY THE "TRAINING" YOU NEED TO GET YOU THROUGH YOUR NOW, AND PREPARE YOU FOR YOUR TOMORROWS? -*

---

**I**t is hard to come up with answers before the process. The training modules, the calls, the publications, the Warrior Chat conversations, etc. are all part of the revelation of you, and the building of you. The revelation of you as you see yourself through God's eyes of love, and the building of you as you take risk, explore, and share your life with others.

Here are a few questions to help you on this journey even if you are not sure where the Lord is taking you.

**Who is God for you now that you didn't know Him as before? Is it an expansion of what you already knew, or something new you are just starting to Explore? Who do you want Him to be?**

**What is your most recent "Instead," that positive change in you, or mindset upgrade that came out of your last training activation or a Warrior call you attended?**

**Did Abraham know where He was going? Did David know what being a King would be? What if God knows exactly the "training" you need to get you through your now, and prepare you for your tomorrows?**

**The Partnership comes out of the practice and the process. What is God doing in your every day to upgrade your partnership with Him?**
