# Foundation Stones of Sonship

by Sharon Rudolph

---

God overwhelms us with His goodness. He strengthens us as we face challenges, growth and warfare. He moves through our training to mold and shape us in ways we never imagined.

---

**H**e takes us in His arms and begins our learning process of real love. He doesn't leave us as we are but understands our challenges and journey to maturity. It is not a quick journey, but it is always a good one.

We begin as much-loved children of God, each a precious sheep that the shepherd goes after leaving the ninety-nine behind.

(Matthew 18:12-14) Christ's commitment to seeing that we each find Him is the cornerstone of Sonship. He tracks us down and won't let us go. That story of His determination to help each of us get back to our Father in Heaven is our first testimony from earth that brings the overcoming as a Son/Daughter of God.  
(Revelation 12:11)

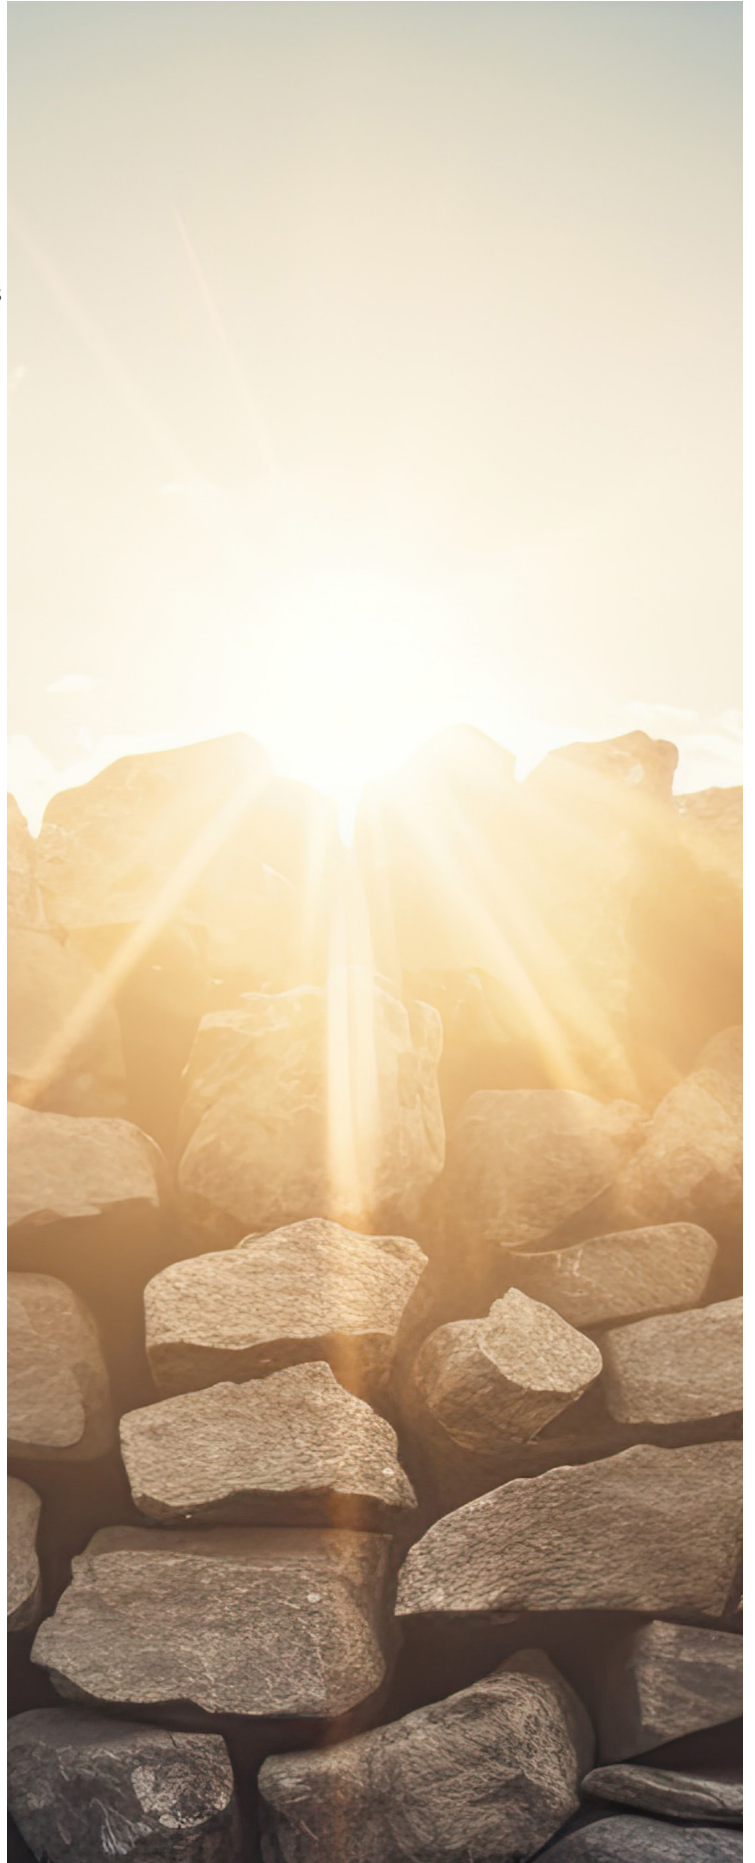

We started out with the Father Who gave us to the Son (John 17:2). We have a story of our relationship with the Father from before, which is another foundation stone testimony of His goodness, but we might not learn the fullness of that story until we get back home to heaven. In our journeys from childhood to Sonship, He often reveals (if we will go looking) His original design and our true identity, revealing His infinite possibilities for

us. That is a Warrior's journey.

Jesus doesn't mind sharing what is His with us. The unity of the trinity sets a beautiful example of life in the Kingdom, another stone. We have unity in Christ. He is in Father God, so the Father is in us. (John 14) They share what they have with us, and on top of that Father makes each of us Christ's Co-heir. (Romans 8:17) God weaves together cords of love that bind us to His heart all the while giving us free-will to choose or not. His love does not control but does hold us securely.

Another foundation stone of Sonship is our spirits being sealed with Holy Spirit. (Ephesians 1:13-14) Holy Spirit brings in the third part of the Godhead cementing us into the unity of the Father and Son. By sealing us with Holy Spirit as our helper, friend, teacher, comforter, and more, our journey to maturity has everything it needs so we can grow up into all things in Christ. Father, Son, and Holy Spirit, They provide everything we need to grow and mature into Sons/Daughters. They designed us to be a part of wonderful works, even more wonderful than Jesus' works. (John 14:12)

Our part is taking stock of the stones They have set, and building on them, loving as They love, giving as They give. Unity of heart and mind with Them and each other brings to earth heavenly realities. This unity shines heavenly light on the reality of Sonship. May we build in love so that the world may see the light and know that the Father sent the Son. (John 17:23)

# What is Sonship?

by Wendy Jitta

Earlier this year, I was asking Papa God about my prophetic gift. He gave me an unexpected answer, as He does sometimes! He told me that yes, I have the gift of prophecy, but He did not want me to be defined by my gifts. He told me that I am a child of the Almighty God.

“You have all of My power and authority within you. I’m in you and you’re in Me. We’re one.”

He said to me that the gifts are wonderful, but they are not who I am. My identity is being His child. I always knew that I was a child of God but this time, it took on new meaning to me. His words sank deep into my spirit.

I am a child of the Almighty, Living God of the Heavens and the earth! All His power and authority are within me. I am treasured and cherished. I dwell in the secret place of the Most High and we have sweet communion.

As children of God, we have the power and anointing of the Holy Spirit flowing through us. We carry the atmosphere of Heaven wherever we go. We bring breakthroughs to those who are oppressed, and we set the captives free. The light of Jesus shines brilliantly within us.

Isaiah 60:1-2 (TPT)

Rise up in splendor and be radiant, for your light has dawned and Yahweh’s glory now streams from you! Look carefully! Darkness blankets the earth, and thick clouds covers the nations, but Yahweh rises upon you and the brightness of His glory appears over you!

Let us shine brightly for all to see the glory of our risen Lord. We carry His name, we are His sons and daughters, and we are sealed to Him by His promises of Love.

## Sonship

**S**onship includes your relationship with God, promises, and permissions for you as a child of His heart. Growing in Sonship is your expanding ability to live out (steward) your spiritual inheritance. The Inheritance of Sonship is how heaven moves to earth through you. It includes the focused journey of your commission with Him: the identity confidence, prophetic promises, authority, permissions, and empowering presence of God you carry into all facets of your life.

Maturing Sonship contains a growing capacity to carry God's nature and heart to the earth, no matter what life may throw at you. It also includes living out how heaven sees you.

The heart behind growth contains the expanding capacity to walk in the inheritance God has for you. Romans 8 is a great chapter to read about the groaning of the earth, and our hearts to step into our Sonship. The perfect picture of walking in completed Sonship will come at the end of the age. Until that time, our journey on earth includes moving, step by step, toward a greater capacity to walk in the measure of Sonship God has available for us season by season.

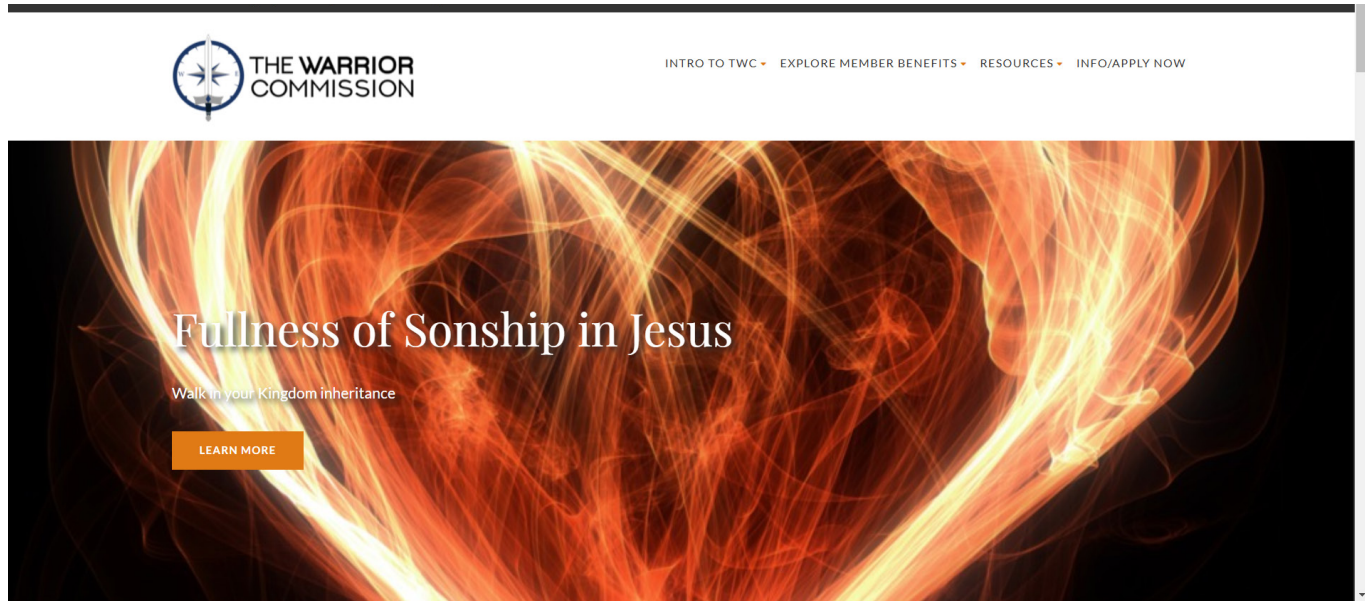

As we mature in God, and grow in stronger character, we will see our capacity toward greater Sonship expand and increase as our relationship with God strengthens. (Stage 6 Training Module, page 8)

No matter where you are in your Warrior Commission training journey, you are expanding your capacity to carry God's natures and heart to the earth. As you process the Training Module you are exploring right now, start a conversation with the Lord and ask Him about how He wants to help you make the most of the training as you embrace your expansion as His Son or Daughter.

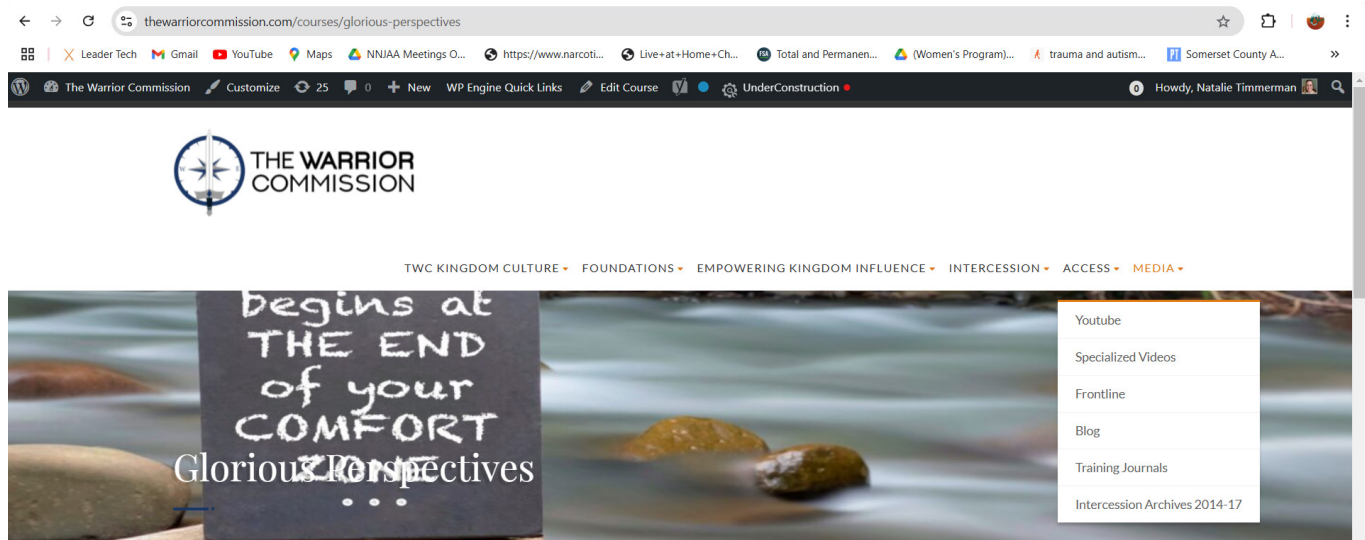

Anyone who has finished Foundations 1-6, or Level 1, can explore Encounters with Sonship – Stage 6 as an Advanced Training. Simply email [twc.memberservices@gmail.com](mailto:twc.memberservices@gmail.com) and ask for Encounters with Sonship. This training module has been updated and made more concise from its original format.
